Ladies and Gentlemen,

Applications for the Toiyabe Indian Health Project Scholarship Program, known as Community Education Financial Assistance Program, will be accepted until the deadline of July 1, 2018.

Once the deadline passes, applications will be reviewed for completeness and referred to the Personnel Committee in July (usually the 3rd week of July) and then the following Board meeting the recommendations are addressed (usually the first part of August). At that point all approved applications will then be processed for payment. For those that participate, we will be notifying you after the Personnel Committee of the current recommendation and later after the final approval of the Board of Directors. If you want faster notification, providing your e-mail address will be very helpful.

This notice and the application documents will be on the Toiyabe website at www.toiyabe.us, at the administrative areas of the Bishop Clinic, Lone Pine Clinic, Coleville Clinic, and we are also sending this material to Tribal Offices. Your application materials can be mailed or e-mailed to the Human Resource Department, to either Gary.Bacock@Toiyabe.us or Laura.Turner@Toiyabe.us.

If you have any questions please feel free to contact the Human Resource department at (760) 873-8464 x224 or 330.

Sincerely,

Gary A. Bacock

Human Resource Manager
