

TOIYABE INDIAN HEALTH PROJECT, INC.
250 SEE VEE LANE
BISHOP, CALIFORNIA 93514

Dear Coleville Community and Friends,

There have been several rumors about the Toiyabe Indian Health Project Clinic in Coleville closing due to a reduction in funding. We thought it was important to let you, our community, know what is going on.

We have had a reduction in our funding for this clinic; however **we are not closing our doors**. We are going to move to reduced hours and days with a more limited staff, but the services we currently provide will continue at our Coleville location.

Beginning December 1, our Medical clinic will be open Tuesday through Friday from 8am to 5pm. We will be open during the lunch hour to accommodate patients.

Our Dental clinic will be open 2 days a week and our Hygienist will be in Coleville for cleanings 3 days a month. The dental clinic will have the same hours as the medical clinic.

Behavioral Health services will continue with our new behavioral health provider Ms. Michelle Kerr, LCSW, via tele-medicine.

A Community Health Representative will continue to visit with Elders or those with transportation difficulties.

During this transition we ask for your patience as we may have to adjust your scheduled appointments to accommodate our new Physicians schedule. In the coming weeks we will be providing the community with more information about our new doctor.

We apologize for the confusion and we look forward to continuing to serve the Coleville, Bridgeport, Walker and surrounding areas.

Sincerely,

Kori Novak, Phd, MBA
Chief Operations Officer
