- Medical
- Pharmacy
- Dialysis
- Dental
- Optometry
- Behavioral Health
- WIC
- Public Health
- Preventive Medicine

## OUR MISSION

The mission of Toiyabe Indian Health Project is to improve and establish programs, policies and actions which focus on developing and maintaining healthy individuals, families and Indian communities while fostering tribal sovereignty, self-sufficiency and cultural values.

## CARING FOR OUR COMMUNITY

Toiyabe features services that we are proud to offer to all of our American Indian patients and clients, as well as the community in general. Our region, while being rural, is diverse. Toiyabe provides important rural access care to an isolated region spanning 13,000 square miles. With three clinics located strategically, Toiyabe strives to meet each patient's needs while providing important health care services not offered elsewhere.

In 2016, Toiyabe was honored as the California Rural Indian Health Board - Clinic of the Year.

We offer the opportunity to mentor/precept medical students from the University of Nevada, Reno or Las Vegas, as well as nurse practitioner students from University of California, San Francisco and other training programs. Toiyabe welcomes you to join our team, making a difference by providing quality care for our patients.

# INSPIRE CHANGE

We are seeking professionals to join our team. We offer opportunities for collegial, interdisciplinary relationships with experienced staff as well as professional development opportunities. You will be part of a committed team serving a diverse population.

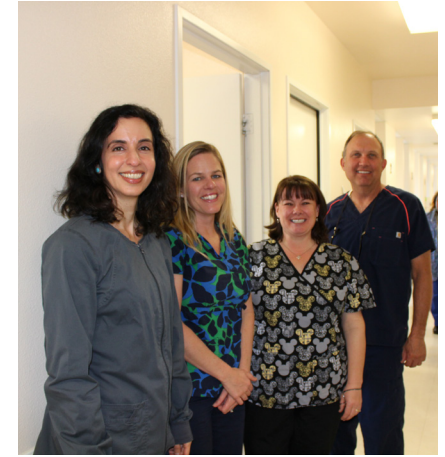

Toiyabe Indian Health Project offers a benefits package for full-time employees that is designed to ensure access to quality healthcare and help you maintain a healthy lifestyle.

## BREATHTAKING SCENERY

Our three clinics are located in the Eastern Sierra, with breathtaking scenery and numerous recreation opportunities. The Eastern Sierra is located in Central California on the Nevada border.

The dramatic geography of the Eastern Sierra includes many marvelous destinations including Mammoth Lakes, a renowned ski resort; fishing in the Sierra Nevada Mountains; hiking at Yosemite National Park; and exploration of Death Valley National Monument. The recreational opportunities also include climbing, mountain biking, backpacking, photography, and much more.

Our clinics are located in the small, rural communities of Lone Pine, Bishop, and Coleville. Life in a rural community is friendly, engaged, and supportive.
